

# Aqua Power™

## 5-1-1

### Liquid Fish Fertilizer

**Fruit & Veggie**

**Aqua Power™** is a liquid fish formula derived from hydrolyzed fish protein. The result is superior availability of nutrients compared to common fish emulsions. Aqua Power™ provides readily available amounts of organic nitrogen, phosphorus and potassium to growing plants. A typical analysis of Aqua Power™ contains 20 different amino acids, 13 vitamins, and 8 minerals including manganese, iron, copper, and zinc in trace amounts. The nutrients in Aqua Power™ are even available when applied as a foliar spray.

### APPLICATION GUIDELINES

Apply 3-5 oz of Aqua Power™ per gallon of water and water in as needed.

### BENEFITS OF USING AQUA POWER™

- Non-leaching formula
- Slow release nitrogen
- Feeds soil, plants and beneficial soil microbes
- Boosts early growth spurts
- Contains 20 amino acids, 13 vitamins, and 8 minerals to promote health and growth
- Very low in salt

### Item #99070 Aqua Power™

1 pint concentrate  
12 pints per case

1 quart concentrate  
12 quarts per case

1 gallon concentrate  
4 gallons per case
